Making offices make sense...

Choosing **furniture** for your **workplace** should be a **pleasure** not a chore.

When you choose **PINK OFFICE** you will enjoy the pleasure of:

A COMPLETE RANGE

Desks, chairs, screens, accessories – it's all in here and you have the opportunity to match everything to a common theme including reception desks, storage, conference and meeting furniture – all with matching finishes and complementing styles throughout.

CHOICES, CHOICES

40 desk shapes and sizes, 90 different cupboards and storage units, 7 MFC finishes, real wood veneers, 12 screen styles and much, much more. Please see finishes chart on p120 for colour choices and price groups.

FAST TRACK DELIVERY

Most items are carried in stock in a variety of popular colours. All stock items are available on 7 day delivery service – often sooner – we love hitting a deadline. Factory and project orders are typically 3-4 weeks, so do discuss your delivery requirements in good time for your project.

QUALITY

- As well as being fantastic value for money all Pink Office products conform to relevant European or British standards.
- All timber products are Rainforest Alliance, FSC or similarly accredited.
- Minimum 5 year guarantee on all non-electrical products (1 year on electrical items)

VERSA WOOD BENCH DESKING SYSTEM

Versa Wood MFC top desks.

The Versa Wood standard edge desk range features solid wooden legs that are lacquered and stained in a natural ash finish, with metal inserts for fixing and hidden height levelling feet.

The interchangeable desktop is made from 25mm of MFC melamine with 2mm thick ABS edging. The desks are easy to assemble with metal-to-metal fixings and only require one tool to construct.

VERSA RECEPTION DESKS

Straight, clean, stylish lines mark this simple but effective range of reception fronts to complement the Versa Bench desking range.

Contrasting Perspex® lines define and break up the panels giving a pleasing effect to large or small runs of panels. Please choose your Versa desks from the desking section, then add the panels from here to create your complete reception unit.

I-STAND

SINGLE SCREEN I-STAND

Sit-stand desk conversion kit

Convert any standard desk in to a sit-stand desk. Metalicon i-stand allows the user reap all the health and productivity gains of a sit-stand desk and monitor arm at a fraction of the price.

The i-stand units allow users to adjust the screen height and tilt totally separately to the keyboard height **without the use of any tools** – just instantly slide both parts up or down to find the best anthropometrics for your height and size. Essential for good posture and health.

- › Full monitor tilt and swivel control.
- › Available in black and white.
- › Move screen and tray individually
